Safety

A cozy fire, Christmas lights and holiday baking are wonderful seasonal activities that are only enjoyed during the winter.

As the holiday season approaches and indoor activities increase, it is important to ensure your safety. It is a good idea to have a fire extinguisher handy in your home, and to remember to never put out a grease or electrical fire with water.

Security Patrol

There is security patrols in the area each evening of the week. Security begins their patrols at 8pm.

If you notice anything that requires their attention you can call them directly at 916-532-9973.

Holiday Decorations

Please remember that all decorations must be removed within 15 days after the holiday. All Christmas lights and decorations must be removed from your home and yard by Jan 15th.

Special Note from Kocal Management

Kocal Management would like to wish everyone a safe and joyous holiday season.

Please note that Kocal Management will be closed on Friday, December 24th and Friday December 31st in observance of Christmas and the New Year.
